Thank you for downloading the free trial!

In this FT, you can use the first divider tab and the templates that have not been grayed out or marked with a red line on the colored template page.

The purpose of this FT is for you the see if it works on your device/app and to make sure you like it before you spend any money.

Please also be sure to watch the full walkthrough video so you can see everything.

Thank you!

MY NOTES

INSTRUCTIONS & INFORMATION

Thank you for your purchase! Please read the information below before you get started.

WELCOME

Hello! Thank you for your purchase. I created this notebook to be a thorough and fun resource for your note taking needs. Since this is a digital product, you can duplicate it and re-use it over and over! The possibilities are endless.

NAVIGATION

On the right side of every page you have the hyperlinked divider tabs which are colored. Then you have the 3 hyperlinked icons. The Home Icon, when tapped, will take you to this page. The Paper Icon will take you to the 2 pages with all of the paper templates. Finally, the Index Icon will take you to the Index/Table of Contents page where you can write out all of the contents of your notebook for easy reference.

TROUBLESHOOTING

1. Be sure to download my troubleshooting and tips PDF that was included in your downloads. It has many short, helpful videos for common questions.
2. Always have auto-backup turned on, or back up regularly.
3. If your app is not behaving as it should, make sure your device and app have the most current updates.
4. If your app is still not behaving as it should, go to the app's website and look for "known issues" to solve your problem.
5. To make sure you are using all of the features of this notebook, be sure to watch the walkthrough video I made. It is available on my website and YouTube page.
6. If you need any help, please reach out! I am always happy to help.
