INSTRUCTIONS & INFORMATION

Enjoy your new free notebook! Please read the information below before you get started.

WELCOME

I created this notebook to be a fun and free resource for your note taking needs. Keep in mind this is a very, very limited version than what I sell in my shop, but I thought it would be something fun to create for you. (So I hope you like it!) Since this is a digital product, you can duplicate it and re-use it over and over! The possibilities are endless.

NAVIGATION

On the right side of every page you have the hyperlinked divider tabs which are colored. You also have the 3 hyperlinked icons.

The Home Icon, when tapped, will take you to this page.

The Paper Icon will take you to the page with all of the paper templates and covers. Again, since this is a free resource, there are limited papers here than what I sell in my shop.

Finally, the Index Icon will take you to the Index/Table of Contents page where you can write out all of the contents of your notebook for easy reference.

TROUBLESHOOTING

1. Be sure to download my troubleshooting and tips PDF that was included in your downloads. It has many short, helpful videos for common questions.
2. Always have auto-backup turned on, or back up regularly.
3. If your app is not behaving as it should, make sure your device and app have the most current updates.
4. If your app is still not behaving as it should, go to the app's website and look for "known issues" to solve your problem.
5. To make sure you are using all of the features of this notebook, be sure to watch the walkthrough video I made. It is available on my website and YouTube page.
6. If you need any help, please reach out! I am always happy to help.

COLOR

Below are all of the colors used in this notebook with their hex codes so you can design your own graphics or add them to your Pen Color Presets. The main neutral color is #000000
