MY SHORTCUTS

Hi!

In my videos I talked about how it would save you a lot of time if you put together a template to house all of your shortcuts so you could quickly and easily access them. After saying that statement over and over, I decided to just make one for you!

I made a few different options for you too. Use the links below to jump to the templates/covers you want. Remember these can be duplicated as many times as you need. I am also including a blankish page to store your icons if you want.

Enjoy!

SHORTCUT MULTI TITLE
SHORTCUT BLACK TITLE
SHORTCUT GRAY TITLE
ICON PAGE MULTI TITLE
ICON PAGE BLACK TITLE
ICON PAGE GRAY TITLE
COVER PAGE BLACK TITLE
COVER PAGE GRAY TITLE

I hope this template helps keep your shortcuts organized and brightens your day. Please use coupon code "SHORTCUT10" the next time you visit my shop.
