This is where you will find the templates and covers which are hyperlinked. Browse the selections and when you find one you'd like to use, simply copy the page and add it after the notebook tab you have chosen. Remember, pages are unlimited and can be duplicated as many times as you wish!

TABLE OF CONTENTS ICON

Use this area to write out the contents of your notebook. The numbered boxes are hyperlinked and will take you to the appropriate section.

STAR ICON

This is the quick note page. It is a dedicated space where you can put all of your thoughts and ideas that you don't have time to sort into a dedicated notebook yet.

APPLE CALENDAR INTEGRATION

Did you know that you can quickly and easily add in Apple calendar and reminder links yourself to any of your EXISTING digital notebooks, planners or digital templates? In my series I will show you how! The beauty of creating it yourself is that you get to choose what you want to add, where to put it and what it looks like. Plus, it will take you only a couple minutes to set each one up. Visit my website below to learn how.

FREE STICKERS

Use the links below to visit my website where you will find over 10K free stickers. The stickers are for customers only and the password to access them is given here in the paid version.
