DELUXE DIGITAL PLANNER

WELCOME

Hello and welcome to your new planner! To learn more about this planner, please read the information below, and watch the full walkthrough video on my website or YouTube.

PAPER ICON

This is where you will find the templates and covers which are hyperlinked. Browse the selections and when you find one you'd like to use, simply copy the page and add it after the notebook tab you have chosen. Remember, pages are unlimited and can be duplicated as many times as you wish!

TABLE OF CONTENTS ICON

When you tap on this, it will take you to the 12 subject notebook that is included in this planner. Each number and box is hyperlinked and will take you to the corresponding section.

STAR ICON

Welcome to the Quick Note page! This is for when you have all of those random ideas and thoughts, but no time to put them into the appropriate section. Later, when you do have time, simply copy the words and paste them wherever you'd like.

2025 & 2026 ICONS

Selecting either of these icons will take you to the Yearly Planning Section for that year. Remember only the dates from July 2025 - June 2026 section will be hyperlinked.

HYPERLINKS

With this planner everything is hyperlinked. On the monthly calendar, the hyperlinked week numbers can be found in the little circles. I use the ISO week numbering system which means the "week" begins on Monday. When tapped, it will take you to that week.

STICKERS

Use the links below to visit my website and download the free stickers. There are thousands of fun and productive ones to choose from, plus more freebies, free trials and helpful tutorials. The password to access the stickers will be given after purchase.

TROUBLESHOOTING

Always make sure your device and app are update to date. Plus, set your app to have Auto Back-Up turned on. A Tips and Troubleshooting PDF was also included in your downloads for your reference. If you ever need any help, please contact me or visit my website below, I have a bunch of helpful information and videos.
