

Hi! In this Free Trial, you get the Month of
July and all of the days and weeks that
accompany it.

(Also it actually begins June 23)

You also get the first notebook section,
plus the first 3 templates.

I hope this planner works for you!
-Erika

MY PLANNER

DELUXE DIGITAL DUO PLANNER

WELCOME

Hello and welcome to your new planner! To learn more about this planner, please read the information below, and watch the full walkthrough video on my website or YouTube.

PAPER ICON

This is where you will find the templates and covers which are hyperlinked. Browse the selections and when you find one you'd like to use, simply copy the page and add it after the notebook tab you have chosen. Remember, pages are unlimited and can be duplicated as many times as you wish!

TABLE OF CONTENTS ICON

When you tap on this, it will take you to the 12 subject notebook that is included in this planner. Each number and box is hyperlinked and will take you to the corresponding section.

STAR ICON

Welcome to the Quick Note page! This is for when you have all of those random ideas and thoughts, but no time to put them into the appropriate section. Later, when you do have time, simply copy the words and paste them wherever you'd like.

2025 & 2026 ICONS

Selecting either of these icons will take you to the Yearly Planning Section for that year. Remember only the dates from July 2025 - June 2026 section will be hyperlinked. The planner does actually start June 23, 2025 and you can access that here.

HYPERLINKS

With this planner everything is hyperlinked. On the monthly calendar, the hyperlinked week numbers can be found in the little circles. I use the ISO week numbering system which means the "week" begins on Monday. When tapped, it will take you to that week.

STICKERS

Use the links below to visit my website and download the free stickers. There are thousands of fun and productive ones to choose from, plus more freebies, free trials and helpful tutorials. The stickers are for customers only and the password is given after purchase.

TROUBLESHOOTING

Always make sure your device and app are update to date. Plus, set your app to have Auto Back-Up turned on. A Tips and Troubleshooting PDF was also included in your downloads for your reference. If you ever need any help, please contact me or visit my website below, I have a bunch of helpful information and videos.

COLOR

Below are all of the colors used in this planner with their hex codes so you can design your own graphics or add them to your Pen Color Presets. The main neutral color is #000000.

[illegible][illegible][illegible][illegible][illegible]This image shows a blank sheet of handwriting practice paper. It features a solid horizontal line at the top, a dashed horizontal line in the middle, and another solid horizontal line at the bottom. The area between the top and middle lines is intended for uppercase letters, while the area between the middle and bottom lines is for lowercase letters. The entire page is otherwise empty, providing space for practicing letter formation and alignment.

[illegible]This image shows a template for handwriting practice. It features ten rows of horizontal guidelines. Each row is defined by three lines: a solid top line, a dashed middle line, and a solid bottom line. At the beginning of each row, there is a small, empty square box. These boxes are vertically aligned with the dashed middle lines of their respective rows, providing a starting point for letter formation. The entire page is otherwise blank, intended for students to practice writing letters and words.
