

2026

TWENTY TWENTY SIX

Hello!

Just a friendly reminder that this is a Free Trial. Only the month, weeks and days of JANUARY are hyperlinked, plus 1 Notebook Divider and the first 3 lined templates. No other items in this planner will work with the free trial.

Thank you,

Erika

ELEVATE POWER PLANNER

Hello and welcome to your new planner! To learn more about this, please read the information below, and watch the full walkthrough video on my website.

PAPER ICON

This is where you will find the templates and covers which are hyperlinked. Browse the selections and when you find one you'd like to use, simply copy the page and add it after the notebook tab you have chosen. Remember, pages are unlimited and can be duplicated as many times as you wish!

TABLE OF CONTENTS ICON

Use this area to write out the contents of your notebook. The numbered boxes are hyperlinked and will take you to the appropriate section.

STAR ICON

This is the quick note page. It is a dedicated space where you can put all of your thoughts and ideas that you don't have time to sort into a dedicated space yet.

26 AND 27 ICONS

Selecting either of these icons will take you to the At A Glance planning section for that particular year. Remember that only the dates January-December 2026 will be hyperlinked since this is a yearly planner.

APPLE CALENDAR INTEGRATION

Did you know that you can quickly and easily add in Apple calendar and reminder links yourself to any of your EXISTING digital planner, notebook, or digital templates? In my series I will show you how! The beauty of creating it yourself is that you get to choose what you want to add, where to put it and what it looks like. Plus, it will take you only a couple minutes to set each one up. Visit my website below to learn how.

FREE STICKERS

Use the links below to visit my website where you will find over 10K free stickers. The stickers are for customers only and the password to access them is MAGIC I also have additional freebies, tutorials and more.

TIPS AND TROUBLESHOOTING

1. Be sure to download my troubleshooting and tips PDF that was included in your downloads. It has many short, helpful videos for common questions.
2. On my website I have so much content to help you; videos, FAQ, links to helpful sites, etc so please visit if you need help.
3. Always have auto-backup turned on, or back up regularly.
4. If your app is not behaving as it should, make sure your device and app have the most current updates.
5. If your app is still not behaving as it should, go to the app's website and look for "known issues" to solve your problem.
6. To make sure you are using all of the features of this notebook, be sure to watch the walkthrough video I made. It is available on my website and YouTube page.
7. If you need any help, please reach out! I am always happy to help.

COLOR

Below are all of the colors used in this notebook with their hex codes in case you would like to design your own graphics, or add them to your pen color presents.
