Hello! Thank you for your purchase. I created this notebook to be a thorough and fun resource for your note taking needs. Since this is a digital product, you can duplicate it and re-use it over and over! The possibilities are endless.

NAVIGATION

On the right side of every page you have the hyperlinked divider tabs. You also have the 3 hyperlinked icons. The Home Icon, when tapped, will take you to this page. The Paper Icon will take you to the pages with all of the paper templates. Finally, the Index Icon will take you to the Index/Table of Contents page where you can write out all of the contents of your notebook for easy reference.

TEMPLATES

The templates are broken down into categories and every template variation is hyperlinked for effortless navigation. Tap on the circle to jump to the template you want to use, Then copy/duplicate it and add it wherever you wish. Templates can be duplicated an unlimited number of times! If you are looking for more colored templates, you might want to look at Series 3 PLUS sold separately in my shop.
