ELEVATE POWER PLANNER

Hello and welcome to your new planner! To learn more about this, please read the information below, and watch the full walkthrough video on my website.

PAPER ICON

This is where you will find the templates and covers which are hyperlinked. Browse the selections and when you find one you'd like to use, simply copy the page and add it after the notebook tab you have chosen. Remember, pages are unlimited and can be duplicated as many times as you wish!

TABLE OF CONTENTS ICON

Use this area to write out the contents of your notebook. The numbered boxes are hyperlinked and will take you to the appropriate section.

STAR ICON

This is the quick note page. It is a dedicated space where you can put all of your thoughts and ideas that you don't have time to sort into a dedicated space yet.

26 AND 27 ICONS

Selecting either of these icons will take you to the At A Glance planning section for that particular year. Remember that only the July 2026 - June 2027 dates will be hyperlinked, however his planner begins Monday, June 22.

HYPERLINKS

With this planner, everything is hyperlinked. On the monthly calendars, the hyperlinked week numbers can be found in the little circles. I use the ISO week numbering system which means the "week" begins on Monday. When tapped, it will take you to that week.

FREE STICKERS

Use the links below to visit my website where you will find over 10K free stickers. The stickers are for customers only and the password to access them will be given after purchase.

5. If your app is still not behaving as it should, go to the app's website and look for "known issues" to solve your problem.
